Lift Solutions specializes in government, public and transit projects, focusing on the construction and modernization of elevators, escalators and vertical transportation equipment. We are certified as an MBE/DBE company to assist in meeting participation goals.

We work with general contractors, government agencies, transit authorities, elevator consultants, elevator contractors and more to provide top quality elevator and escalator equipment for each project's specifications. Our certifications help our customers meet the participation requirements for each project.

CALL US TO LEARN HOW LIFT SOLUTIONS CAN BETTER ASSIST YOUR COMPANY IN WINNING GOVERNMENT, TRANSIT AND PUBLIC PROJECTS.
